

# DIMENSIONS FOR 125 - 150 LB. STANDARD PIPE FLANGE GASKETS

Representing the best Manufacturers in the Industry

We are fully tooled to cut your requirements from Compressed Non-Asbestos, Gylon, Gore-Tex, Flexible Graphite, Viton, Teflon, Silicone, Red Rubber, Neoprene, Cloth Inserted Rubber and other materials.

If you should require metallic pipe flange gaskets, we have a large stock of spiralwound gaskets available. Graphonic, Tephonic, Kammprofile, Corrugated, Jacketed, Ring Joint and many other styles are readily available.

Please contact us for price and delivery not only for pipe flange gaskets, but for any special gaskets you may require for either OEM or maintenance usage.

Flange Size (Old Style ID)	New Style ID	Ring Type OD	Full Face OD	No. of Holes	Size of Holes	Bolt Circle
